Short Description

The SD 417 E is a one-door display refrigerator, with 280 net liters of cooling space. Comes with 5 white, heavy-duty wire shelves with threads to ensure that all types of glasses, cans and bottles are stable on the shelves. The cabinet has 4 wheels, so it is always possible to move it, even when it is full. The cabinet has a right hinged door with lock, so it is possible to lock the cabinet.

The door closes automatically which always minimizes temperature rises. 2 vertical energy-saving LED lights in the front provide a good light and represent the goods nicely. The cabinet has Intelligent Air Circulation System, which ensures perfectly ventilated cooling throughout the cabinet. The SD 417 E is mechanically controlled and has an internal control panel at the top of the cabinet, so it is easy to adjust the temperature in the cabinet.
