### Short Description

Barrel coolers can also be used in places other than the retail trade, such as in the office with your own company logo, so that guests can be offered a cold water, or at trade fairs where it is easy to carry. But it is also ideal to have at home for the hot summer days and for parties, where the temperature range of 2°C -10°C is ideal for storing wine, beer, water and champagne.

The TK 42 BE holds 41 liters and has a 2-piece glass tilting lid, which makes it easy to see the contents and makes it easy to get to the cold drinks.

The cooler is fitted with 4 wheels, making it easy to move around, even when filled with drinks.

The temperature range 2°C -10°C makes the barrel cooler perfect for cooling all kinds of drinks.
